

## **Pet Story Competition**

The Earth Watch Society is holding a “Pet Story” competition for the first time. We are providing you with an opportunity to share your most exciting pet story with us. Send us a story related to any of your pets. The story could be of your most memorable moments with your pet or it could involve the most hilarious thing that your pet ever did. The story should be intriguing, captivating and definitely unique.

The top three best stories would win surprise gifts and certificates. These would be distributed on the day of the Pet Show (25 February, 2013). All students and the Alumni are strongly encouraged to participate in the competition.
